

AGM Report May 2016 – April 2017  
Wednesday Beavers

1<sup>st</sup> Henllys Beaver Scouts – Wednesday

Wednesday Beavers have enjoyed a variety of activities; games; craft and adventure

These have included:  
Climbing at Go Vertical

Going Up .....

In September we went on Family Camp to Botany Bay, unfortunately no photos!

Remembrance Parade with the District followed in November and in December we went Trampolining in Newport.

They are in there somewhere.

Mother's Day Craft for 'Someone Special'

In February we helped lay the start of the new path in Henllys Local Nature Reserve. Our Thanks to Chris Partridge for his patience.

In March we joined the district at St George's Camp, two nights under canvas they slept like logs.

Tonight the Beavers are at Pets At Home.

I would like to thank Wilma for stepping up to help with the Beavers, and also Tic Tac and Keltic who give their time, in amongst exams and shows, unfailingly. Also to the parents and guardians who support the beavers in transportation, badge work and the never-ending mud. Thank you. We couldn't do it without you.

Yours in Scouting

Sajo (aka Lorraine)
